The fun has begun! This form is used to design the layout of your t-shirt quilt. In each block, please draw or write something that will help identify the t-shirt that you would like to use for each square on your quilt. Please do not worry about your artistic abilities when completing this portion of the project. If you do not want to choose a layout for your quilt, a layout will be selected for you. If there are only certain shirts that you would like showcased in designated squares; please fill those in below and make note that the others can be placed randomly within the design.

6 x 7 squares - 42 t-shirts total

IF YOU DO NOT CHOOSE THE LAYOUT FOR YOUR QUILT, A LAYOUT WILL BE SELECTED FOR YOU!
